

## MXAMS2PSU

### Management Class AMD

The AMD power Management Class Rackmount Server series MXAMS2PSU offers an affordable and reliable full depth 1U rack mount solution for any entry level deployment. Up to 32TB of raw video optimized storage is provided by (2) 24/7 Duty Cycle SATA drives.

Two 240GB solid state drives for applications and the operating system enables fast boot and load times. RAID 0, 1, and 10 storage options allow for increased reliability, and a five-year warranty ensures peace of mind.

#### KEY FEATURES

- Up to 32TB of Raw Storage
- AMD EPYC 7302P
- Operating System: Windows 10 Pro / Server 2019

SSD & 24/7 Duty Cycle SATA Drives

5-Year, On-site, NBD

RAID Options: 0, 1, 5

Redundant Power
