

Mirasys VMS stands as a beacon of safety in educational environments, committed to fortifying the well-being of students across the globe. With cutting-edge technology and unwavering dedication, Mirasys VMS empowers schools to uphold a secure learning atmosphere. Through advanced video management solutions, it offers real-time monitoring, incident response, and proactive threat detection, ensuring rapid intervention in critical situations. With a proven track record and trusted by numerous school districts, Mirasys VMS is not just a security system; it's a shield, safeguarding the futures of countless students by fostering environments where they can learn, grow, and thrive without fear.

## Why Choose the Mirasys VMS?

### Deep Experience in School Safety

Mirasys has been protecting educational institutions since 1997. We're deployed around the globe and protect millions of students and faculty on a daily basis.

### White-Glove Support

We know you're busy running a school and you don't have time for issues, so we are here to help when the time comes.

### Advanced Technology (AI)

Our state-of-the-art Video Management System is Open, Easy to Use and employs the latest advancements in AI to keep kids and faculty protected.

### Affordable but also Valuable

You will find that our system is priced just right for your safety budget while also delivering all the key features and functions you want in a Video Management System.
